Beyond Lies the Wub & The Skull

Beyond Lies the Wub & The Skull

By Phillip K. Dick (1928 - 1982)

Two stories in the inimitable Philip Dick style. What is a Wub? A 400 pound slovenly, fat, ungainly, drooling animal that looks like a cross between a walrus and an enormous hog? Well, yes that is pretty much what he looks like and for 50 cents, a good bargain no matter how he tastes. The hungry spaceship crew expects to find out. Of course the Wub may not entirely agree but it doesn't have much to say about it. The second story, *The Skull*, is a skilful mesh of time travel, unscrupulous governments, prisoners, and religion. With an assassin thrown in for good measure. Enjoy! (summary by Phil Chenevert)
